9:30 - 9:45	Welcome, Agenda Review, Rural Health Transformation Program Recap	Charles Dwyer, Program Officer <i>Maine Health Access Foundation</i>
9:45 - 10:45	Introductions, Inspirations and Aspirations Grantee groups will provide a short overview of their projects and what inspired their application.	Carol Kelly, Facilitator, <i>Pivot Point, Inc.</i>
10:45 - 11:00	Break	All
11:00 - 12:30	Community Engagement: Strategies that Work Speakers from Healthy Northern Kennebec and ReThink Health share from their experience effectively engaging residents to address health inequities in their communities.	Pedja Stojicic, Project Director <i>ReThink Health, Rippel Foundation</i> Kelly LaCasse, Community Food Equity Coordinator, <i>Healthy Northern Kennebec</i>
12:30 - 1:00	Lunch & Networking	All
1:00 - 2:45	Peer Learning Exchange Each grantee group will identify and discuss at least one example of early learning or progress from their project and draw upon the expertise in the room by presenting one “conundrum” from the project for consideration by the group.	Carol Kelly, Facilitator <i>Pivot Point, Inc.</i>
2:45 - 3:00	Wrap-Up & Next Steps	Carol Kelly, Facilitator, <i>Pivot Point, Inc.</i> Charles Dwyer, Program Officer <i>Maine Health Access Foundation</i>

By the end of the day participants will:

- Understand RHT program principles/expectations
- Know more about other projects & make connections
- Raise questions & issues with peer experts
- Share early learning and opportunities for TA
- Take away approaches to community engagement & resources they can use
