Meeting Objectives

- Raise awareness of the issues faced by the rural health system;
- Share Innovations & promising practices of improving rural health systems
- Draw connections between local health systems and the local economy
- Provide an opportunity for people with similar concerns and interests to interact and begin to speak the same language concerning health and health care delivery
- Develop interest in building the capacity to begin deeper level conversations in other rural areas

Following the meeting, please join the MeHAF staff in the prefunction area for light refreshments and conversation, and say hello to our new President & CEO, Barbara Leonard.
